Sunday 8 p. m. 146.820

Swapnet after regular net Sept- May

From The Editor

Hi gang. Hope everyone is surviving this looooooong winter. I don't know about everyone else, but I'm about ready to move to a warmer climate. I'm still chasing DX. I have 203 entities confirmed now with DXCC on 10,15,17 and 20 meters. It is sure getting harder to find new ones. Working several different modes has helped a lot. You can get through on CW a lot easier when there is a big pile-up. As Bruce said in his e-mail, there will be a "Lazy Man's CW" (as Terry would call it) program at a club meeting soon.

I am looking for someone to take over the job of newsletter editor. I have been doing it for about three years now and feel that I need a break. If anyone is interested, please contact me and/or Terry and let us know. A new editor would be greatly appreciated.

73 Steve - KZ2R
